

KiTS Online Trading Installation Guidelines

Please follow the below mentioned procedure to install the new Online Trading Application in your Desktop.

Step 1

Download and install **JAVA Runtime Environment** according to your operating system, the recommended version is Java 8 Update 40.

If JAVA Runtime Environment is already installed please ignore this step.

<https://djmrtrade.com/website/index.aspx>

Click (Download) Tab.

Step 2

Download the **(KiTS) Online Trading Application** from the link given below and install.

<https://kits2.psx.com.pk/TradeCast/TradeCast.html>

The KiTS application should now be downloaded onto your system and an icon should now be appearing on your desktop.

Login procedure

After installation (as detailed above) please follow the below mentioned procedure to log into the KiTS Online Trading Application once you have received the email from noreply.kits@psx.com.pk containing your login credentials (i.e. User ID and Password).

Step 1

Open the **(KiTS) Application** from your desktop.

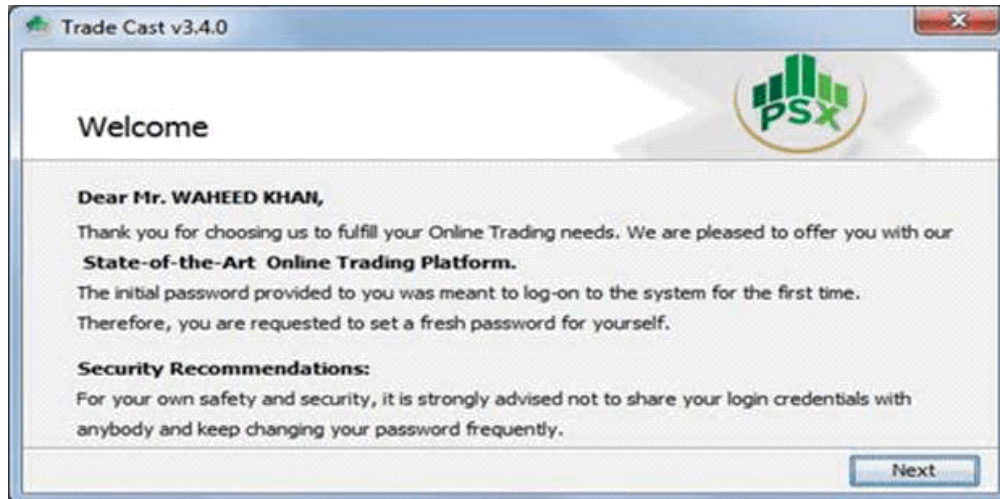

Step 2

Please enter your **User ID** and **specific digits of your password** as received via on email from noreply.kits@psx.com.pk in the respective fields as shown in the image below. Then please click "**Login**".

Step 3

A new windows will appear as shown below. Please read the information carefully and then click "**Next**".

Step 4

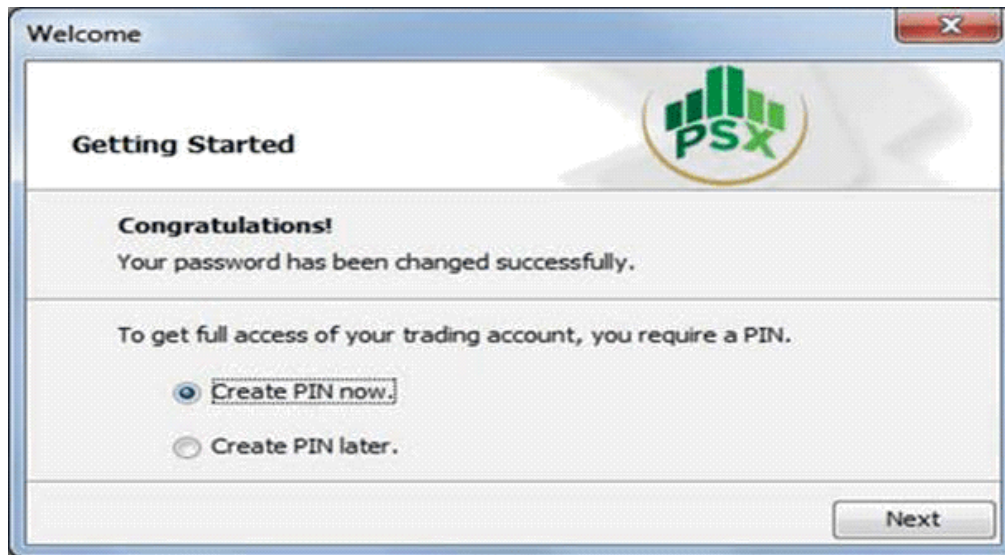

Please input the password provided to you via email from noreply.kits@psx.com.pk in "Current Password" field and the input a new password of your choosing in the "New Password" and "Confirm Password" fields and then click "**Apply**".

Please note that the new password must be eight to twelve characters long and must contain alpha numeric characters

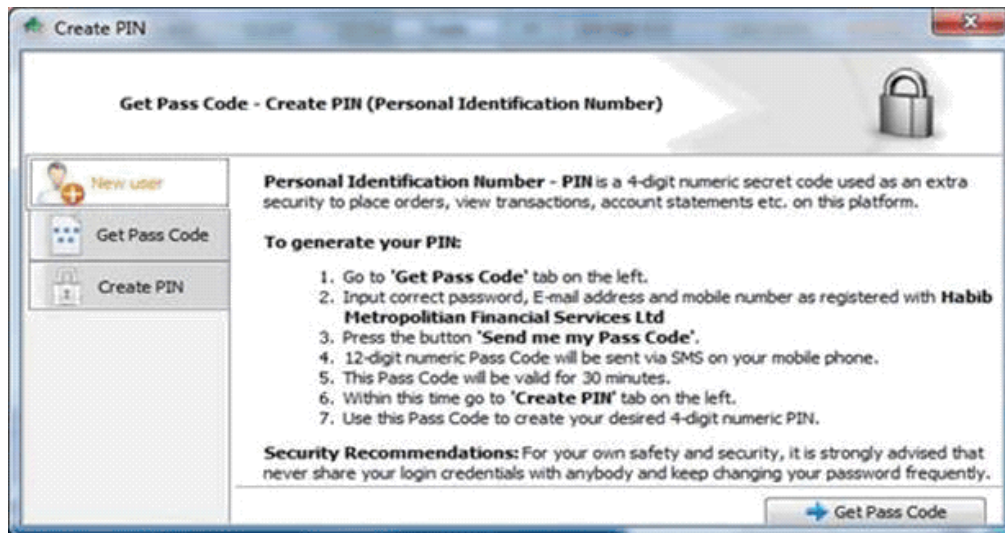

Step 5

A new screen will open as shown below. Please select "**Create PIN now**" option and then click "**Next**".

Step 6

A new screen will open as shown below. Please read the information on the screen carefully and then click "**Get Pass Code**".

Step 7

A new window will appear, please enter your registered information (registered E-mail and mobile number) and click **"Send me my Pass code"**

Create PIN

Get Pass Code - Create PIN (Personal Identification Number)

New user

Get Pass Code

Create PIN

User ID 016016

Password *

E-mail *

Mobile No i.e 9232134343431 *

Already have Pass Code? ☒ Send me my Pass Code

Please enter your Password!.

Step 8

A pop-up will appear as below notifying that you will receive an e-mail and an SMS shortly.

Step 9

Now in the screen as shown below please enter your passcode as received via e-mail / SMS in the field "**Pass Code**" and any four digits of your choosing in the field "**New PIN**" and "**Confirm PIN**".

Now please click "**Submit**".

Get Pass Code - Create PIN (Personal Identification Number)

New user
Get Pass Code
Create PIN

Pass Code: 225459236239
New PIN:
Confirm PIN: *

Don't have Pass Code?

You will now receive a confirmation message (shown below) that your pin has been created.

You should now be logged into your online trading account successfully which you can now use as normal. A screen shot of the New (KiTS) online trading application is shown below for your convenience.
