

Step 3

A new windows will appear as shown below. Please read the information carefully and then click "**Next**".

Step 4

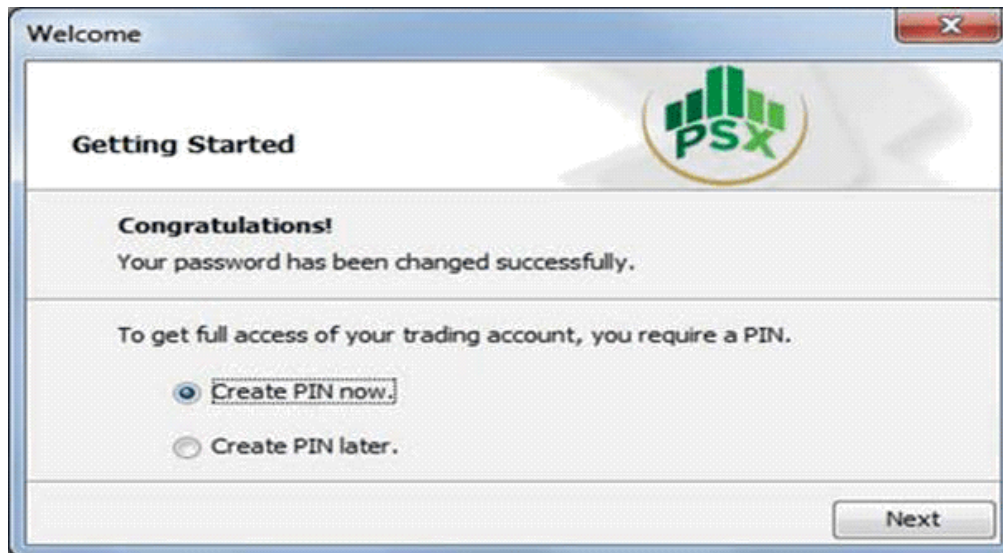

Please input the password provided to you via email from noreply.kits@psx.com.pk in "**Current Password**" field and the input a new password of your choosing in the "**New Password**" and "**Confirm Password**" fields and then click "**Apply**".

Please note that the new password must be eight to twelve characters long and must contain alpha numeric characters

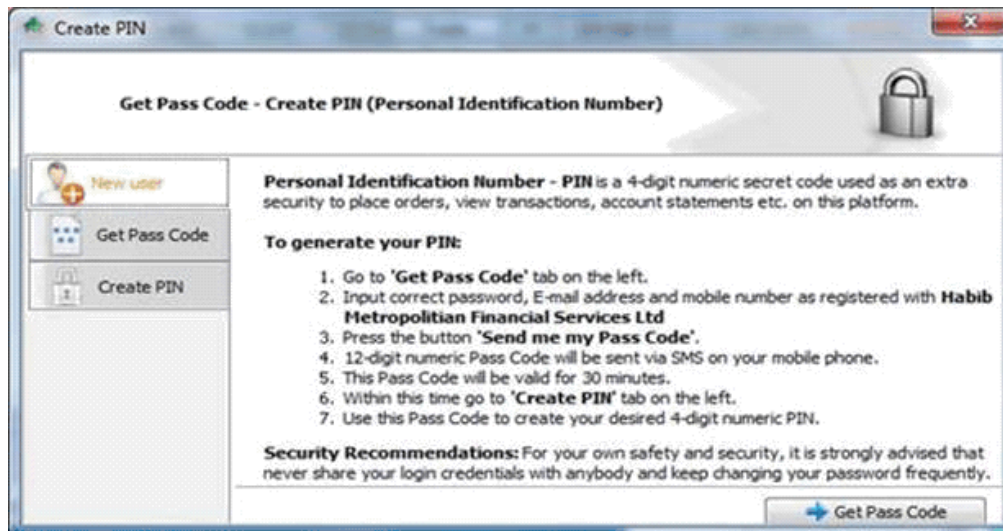

Step 5

A new screen will open as shown below. Please select "**Create PIN now**" option and the click "**Next**".

Step 6

A new screen will open as shown below. Please read the information on the screen carefully and then click "**Get Pass Code**".

Step 9

Now in the screen as shown below please enter your passcode as received via e-mail / SMS in the field "**Pass Code**" and any four digits of your choosing in the field "**New PIN**" and "**Confirm PIN**".

Now please click "**Submit**".

The screenshot shows a web browser window titled "Create PIN". The main heading is "Get Pass Code - Create PIN (Personal Identification Number)". On the left, there is a navigation menu with three options: "New user", "Get Pass Code", and "Create PIN" (which is highlighted). The main content area contains three input fields: "Pass Code" with the value "225459236239", "New PIN" with four dots, and "Confirm PIN" with four dots and an asterisk. Below the fields is a link "Don't have Pass Code?" and a "Submit" button with a green checkmark icon.

You will now receive a confirmation message (shown below) that you pin has been created.
